BLACK HISTORY PROGRAM

The Emma L. Minnis Academy Black History Program will be held on Sabbath February 17, 2024 at the Magazine SDA church. All Scholars are asked to be at the church at 10:30 a.m.

Principal's Message

I'm excited to be a part of our Black History 2024 celebrations at Emma L Minnis Academy. We celebrate 2024 with the theme **Unite, Encourage, Uplift: Change Begins with Me.**

This Theme on the surface may sound cliché. However, it cannot be overstated that for any change to be effective, the "me" must be willing to be a change agent. History has shown that the only way to bring about positive changes in the black community is to work together with a united purpose. Unity comes when we encourage and uplift each other during the process. Change is effective if each individual "THE ME" realizes that he/she has a valuable role to play in the process. May God bless us all as we *unite, uplift and encourage each other.*
