

## COVID-19 SCC Schools Reopening Plan **Update #7**

---

**January 12, 2021**

Greetings South Central Conference Parents,

Praise God! We have made it through a difficult 2020 year, but God is still on the throne. It may seem a bit cliché to consistently begin with the mention of prayer for you and your family; however, the reality is that this gesture is sincere and warranted. We all are aware of the unprecedented insurrection and chaos that took place at our nation's Capital on January 6, 2021. It is my belief and conviction that the recent events are providential. Hence the reason to recognizing that spiritual elements are at work in the midst of a crisis. God is still in control. As we heed the warnings of possible armed protests' planned at US Capitals, I would like to ask that we all pray for the healing of our nation.

- **Parents and students who opted for Traditional Learning before the Holidays:** South Central Conference schools will return to the Traditional Learning Platform on **January 19, 2021** This applies to those parents and students who opted to receive onsite instruction before the Thanksgiving and Christmas breaks.
- **Mandated COVID-19 Testing:** All students & staff will need to have a COVID-19 test administered before returning to the building for instruction on **January 19, 2021**. A **Waiver of Liability Form** is to be completed for any new onsite students.
- **Further Details:** For further details, you may contact your local school administration about the process of having COVID-19 testing completed before your child returns to school after the holidays. You may also visit [iamsouthcentral.org](https://iamsouthcentral.org) for further updates concerning the SCC Schools Reopening Plan.

The safety of our students, families, staff and community will remain a top priority, while at the same time working to offer a **Quality Christian Education** to our students. May God richly bless your families and keep you in His care.

In His service,

Johnny Holliday  
SCC Education Superintendent
